Tutor Learning support

Franchise Proposal

The franchisor has already done the research and development, and has a successful track record of operating educational businesses.

Submitted for the latest
project in 2024.

Proposed By :
**Gurjar Education
Pvt. Ltd**

■ About Company

- Prime Education Academy has been functioning since 2011 in the educational sector within which Jawahar Navodaya , Sainik School and general stream science stream of KG to 12 and coaching classes of 2011 are being run. The company was incorporated in 2019 as Gurjar Education Private Limited. This company was operating in various educational sectors. Then in 2024,

■ Introduction

- the company launched a new project, Plus Prime Education, which includes investment plans to help students in the fields of educational assistance, online education, offline education, etc.

■ Our Vision And Mission

- Universal access to quality education without financial barriers. Mission: Empower individuals worldwide through free, equitable, and lifelong learning opportunities, fostering innovation and societal progress.

■ Why choose us?

'Learning teaches learning' and learning is the art of diving into depth. The desire to make the ongoing process of learning dynamic through collaborative efforts with these central ideas. Strengthen the foundation of basic science and pave the way towards the path of a scientist who is urgently needed in the country without giving stress to the children. Personally one to one contact through the use of the technical aspect of social media. Introduce children to the modern stream of Science and Technology.

■ Our Services

01

OFFLINE EDUCATION

Offline classes take place in a traditional classroom from Monday to Saturday between a given period of time where students have to obey the rules and regulations.

02

ONLINE EDUCATION

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Donec in luctus turpis. Duis tincidunt aliquam est sit amet imperdiet. Donec. Online classes provide education right at home which helps out in paying careful attention. Online Learning develops self-discipline and real-world skills.

03
